## APPOINTMENT OF VICE-PRESIDENT EXPLORATION – CANADA

---

Magma Metals Limited ("Magma" or "Company") is pleased to advise that it has made the following appointment:

### **Dr Bill Stone: Vice-President Exploration – Canada**

Dr Stone is a geologist with a B.Sc. (Hons) in Geology from Dalhousie University, Nova Scotia, and a M.Sc. and Ph.D. in Geology from the University of Western Ontario.

He has over 25 years of research and exploration experience mainly focused on nickel, copper & platinum group metals and gold in the USA, Australia and Canada including positions with WMC Resources Ltd at Kambalda and as Senior Lecturer in Economic Geology and Geochemistry at the University of Western Australia.

For the past five years Dr Stone has held senior positions with international and Canadian mining and mineral exploration companies based in Vancouver and Toronto, most recently as Vice-President Exploration for North American Palladium Ltd.

Dr Stone will have overall responsibility for Magma's exploration activities in Canada, including its Thunder Bay projects, in conjunction with Allan MacTavish, the Company's Exploration Manager for those projects, and will lead an initiative to build a more significant exploration presence in Canada.

Dr Stone will take up his position on 30<sup>th</sup> November 2009. He will be based in Magma's Toronto office, which will be established following the Company's planned Toronto Stock Exchange listing later this year.
