Directors' Report

Your directors present their report on the consolidated entity of Stirling Minerals Limited and the entities it controlled at the end of, or during, the half year ended 31 December 2008.

Directors

The persons who were directors of Stirling Minerals Limited during the half year and up to the date of this report are:

Mr Tony King (Managing Director)
Mr Jason Bontempo (Non Executive Director)
Mr Stephen Brockhurst (Non Executive Director)

Review of Operations for the Half Year ended 31 December 2008

The consolidated Income Statement shows a consolidated 2008 net loss attributable to members of \$300,323 (2007: \$92,597).

During the half year, the Company continued exploring the Quidong Base Metals and Gold Project located near Bombala, NSW, in south eastern portion of the highly prospective Lachlan Fold Belt. The Quidong Project comprises EL5671, EL6888, and EL7192 with a combined area of approximately 273 square kilometers and are held by 100% owned subsidiary Quidong Minerals Pty Ltd.

The Board has decided to reduce the exploration spend on the Quidong project to a minimum as a result of the significant deterioration in global financial markets, and especially commodity prices in general. Stirling will endeavour to conserve its cash reserves whilst looking for new opportunities that come with appropriate funding.

Sufficient exploration is planned for 2009 to keep the tenements in good standing, while options for progressing the project are evaluated.

The region attracted interest from other explorers in the form of two very large exploration licence applications for non-metallics, and ongoing gold exploration of moderate intensity. Approximately 150 km northeast of Quidong, the Dargues Reef Project has grown to 286,000 oz gold at a grade of 6.2 g/t Au [CRC:ASX 27Jan09], while to the southwest of Quidong, regionally along strike into Victoria, several gold prospects are being evaluated.

Opportunities for project synergies with the Quidong tenements continue to be monitored, especially for gold in the current favourable price environment.

Independent Auditor's Review Report

To the Members of Stirling Minerals Limited

We have reviewed the accompanying half-year financial report of Stirling Minerals Limited and Controlled Entities (the consolidated entity) which comprises the balance sheet as at 31 December 2008, and the income statement, statement of changes in equity and cash flow statement for the half-year ended on that date, a statement of accounting policies, other selected explanatory notes and the directors' declaration.

Directors Responsibility for the Half-Year Financial Report

The directors of the consolidated entity are responsible for the preparation and fair presentation of the half-year financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the half-year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of an Interim Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of consolidated entity's financial position as at 31 December 2008 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Stirling Minerals Limited and Controlled Entities, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001.
