

20 March 2009

### Issue of Shortfall Shares

The directors are pleased to advise that they have allotted 48 million shares pursuant to an application received for the Shortfall Shares pursuant to the Entitlement Issue as offered in the Prospectus lodged with ASX on 18 November 2008 and that closed on 23 December 2008.

The rights issue and shortfall produced the following results:

Shares applied for:	15,582,097
Shortfall shares applied for:	57,936,563
Underwritten shares:	24,000,000
Total Shares Issued	97,518,660

Total funds received were \$487,593.
