**Data-inCrypt® SMX MEETS WITH MULTINATIONAL**

---

Synergy Equities Group Limited (“SYNERGY”, ASX : SYG) advises that its wholly owned subsidiary Data-inCrypt® held its third meeting yesterday (Tue 03 Feb 09) with a major privately owned multinational organisation in Melbourne regarding SMX secure registered email.

Data-inCrypt® Directors met with and demonstrated SMX to nine representatives of the organisation’s executive team, including its Chief Information Officer, Director of Governance & Compliance, Director of Global Supply Chain and Director of Human Resources. At the conclusion of the meeting the organisation confirmed a need for SMX in its Board, Executive Management divisions, legal and treasury divisions and elected to immediately move to a trial and assessment of SMX in the Executive arena.

SYNERGY looks forward to keeping the market informed as developments continue throughout February.

Yours faithfully
