**Tiger increases its interest in the Kipoi Project and
receives notification of potential contract dispute**

Perth, Western Australia: Tiger Resources Limited (ASX / TSX: TGS) ("the Company") advises that the payment due on 29 July 2009 in accordance with contractual arrangements relating to the Kipoi Project has been completed and as a result the Company has increased its interest in the project.

In November 2006 Tiger Congo sprl, an 85% owned subsidiary of the Company (collectively "Tiger"), entered into an agreement ("Agreement") with various parties ("Vendors") to acquire 100% of Congo Minerals sprl ("Comin") in stages. Comin owns 60% of SEK sprl, which is the holder of licences covering the Kipoi project in the Democratic Republic of the Congo ("DRC"). The remaining 40% of SEK sprl is owned by Gecamines, a DRC State owned company.

In accordance with the Agreement, as amended, Tiger paid the Vendors US\$5.59 million on 29 July 2009 in order to acquire a further 23% and has increased its interest in Comin to 50%.

Tiger is required to pay the Vendors a further US\$12 million on or before 29 May 2010 in order to acquire the remaining 50% interest in Comin.

Tiger also advises that it has received a letter from the Vendors implying that they may seek to dispute the amount paid by Tiger to increase its interest in Comin to 50%, and to avoid complying with their obligations under the Agreement.

Tiger advises that it has met all its obligations pursuant to the Agreement, including making all payments due to the Vendors in accordance with the Agreement. In addition Tiger has incurred in excess of US\$20 million on exploration and development activities at the Kipoi Project, has completed a detailed feasibility study, and has also received indicative terms from potential project financiers and offtake parties in respect of bringing the Kipoi Project into development.

Tiger has responded to the Vendors seeking to resolve this matter through discussion. However, in order to protect its rights under the Agreement in the event a commercial resolution cannot be secured, Tiger will if necessary commence legal action in the DRC against the Vendors.

Tiger's legal counsel has advised that Tiger has a strong case and, if required, Tiger will pursue all available legal remedies to protect its interest in the Kipoi Project. Tiger will also take action against any third party seeking to assist the Vendors in breaching their obligations under the Agreement.
