## Wotif.com Holdings Limited announces profit upgrade (confirmation)

Earlier today, Wotif.com Holdings Limited (**Wotif Group**) announced that it expects its profit after tax for FY2009 to be not less than \$42 million (FY2008 \$34.5 million). It advised that this expectation was based upon internal management accounts and was subject to the Wotif Group's trading performance in June. It further advised that this expectation may also be subject to change on completion and audit of the Wotif Group's final accounts.

At the request of the ASX, Wotif Group confirms that if its profit expectation should change by more than 10-15% (up or down), it will naturally communicate this to the market.
