Dear Sirs,

## **QUARTERLY PRODUCTION AND EXPLORATION REPORT TO 31 MARCH 2010**

Please find following the details of the mining production and exploration activities undertaken by the Anglo Pacific Group Plc (the “Company”) during the quarter.

### 1. Production

The Company did not undertake any production during the quarter.

### 2. Exploration

#### *Australia*

The Company incurred no expenditure on exploration and development on its Australian projects during the quarter. This was due to Tiaro Coal Limited’s (TCM) continuing involvement in the Company’s joint venture with Core Resources Pty Ltd in return for funding an agreed level of exploration. For further information see the TCM disclosure document dated 19<sup>th</sup> December 2007.

#### *Canada*

The Company’s expenditure on exploration and development on its Panorama and Trefi projects during the quarter totalled C\$112,138.77. This consisted of consulting services and travel costs in relation to the preparation of reports on the projects, and for the renewal of licences.

For further information:
