## **ENVIRONMENTAL SCOPING STUDY APPROVED**

Atomic Resources Limited (ASX Code: ATQ) ("Atomic") is pleased to announce that the National Environment Management Council (NEMC) of Tanzania has approved Tancoal Energy Limited's Scoping Study and Terms of Reference for the Environmental Impact Assessment (EIA) on the Ngaka Coal Project.

Atomic Managing Director Clinton Cain said, "Tancoal is working very closely with the Tanzanian Government and the local authorities in the Ngaka region to develop the Ngaka Coal Project to minimise environmental impact and maximise benefits to the local communities and stakeholders. The approval of our Scoping Study allows Tancoal to proceed to a more detailed assessment of the environmental impact. Approval of our EIA will bring us one step closer to commencing coal production at Ngaka."

### **ENDS**

#### ***About the company:***

Atomic Resources Limited is an Australian-based exploration and resource development company with major thermal coal assets in Tanzania. Our operating arm in Tanzania is Tancoal Energy Limited, which was formed by a Joint Venture between Atomic Resources Limited and the National Development Corporation of Tanzania (NDC).
