2. STRATEGY

COMPREHENSIVE STRATEGIC REVIEW

- > Management and Board have completed a comprehensive strategic review of the Fund, taking into consideration:
 - > The expected maturity profile of AYT's assets;
 - > The Fund's original value proposition;
 - > Unit trading price discount to NTA;
 - > Current market conditions; and
 - > Unitholder feedback
- > Management and Board have resolved that a wind down of the Fund, by returning capital to Unitholders as assets mature, is in the best interests of Unitholders, subject to:
 - > No superior proposals being forthcoming; or
 - > A favourable change in market conditions

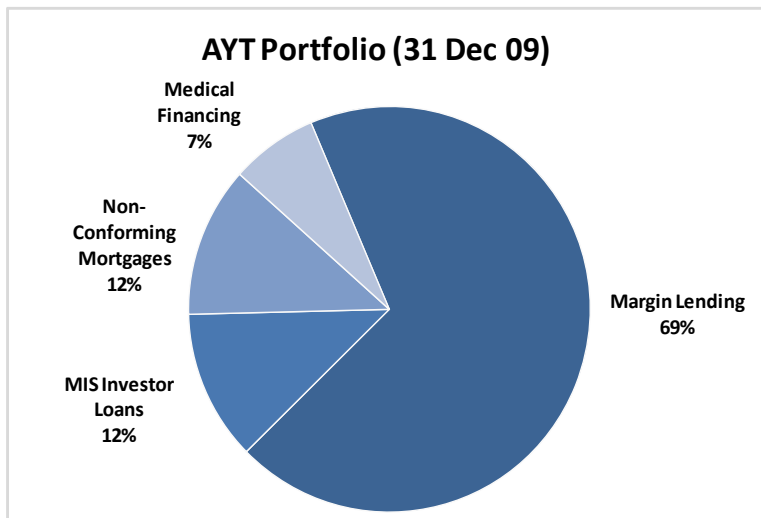

NEXT STEPS

- > Under ASX Listing Rules, Unitholder approval is required to implement an orderly wind down of the Fund, but only in relation to material capital returns
- > Unitholder approval will be sought at an Extraordinary General Meeting, likely to be held within the next 6 months
- > Pending the outcome of this meeting:
 - > AYT will not make any new investments; and
 - > The on-market Unit buy-back program will cease
- > Distributions will continue to be paid in cash from the interest earned by the Fund's investment portfolio
