

Boardroom Radio Broadcast

Breakaway Resources Limited (BRW) provides the opportunity to listen to an audio broadcast with Mr David Hutton, Managing Director. Mr Hutton outlines the recent announcement on the significant new copper exploration initiative with multiple high-grade copper targets identified at the Company's 100% owned Eloise Exploration Project in Queensland.

To listen to the audio broadcast, access Breakaway's Investor Relations webpage at:
www.breakawayresources.com.au

The presentation details are as follows:

- Breakaway Resources: Multiple Copper Targets Identified at Eloise, Queensland
- Presented by David Hutton, Managing Director
- Wednesday 8 December 2010, 2.35pm AEST

Competent Persons Statement:

The information in this report that relates to Exploration Results and Mineral Resources is based on information compiled by Mr David Hutton (Managing Director), a full time employee of the Company. Mr Hutton is a Member of the Australasian Institute of Mining and Metallurgy (AusIMM). He has sufficient experience of relevance to the styles of mineralisation and the types of deposits under consideration, and to the activities undertaken, to qualify as a Competent Person as defined in the 2004 Edition of the Joint Ore Reserves Committee (JORC) Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves.

About Breakaway Resources Limited:

Breakaway Resources aims to become one of Australia's leading mining and exploration companies with exploration focussed at our priority Wildara and Miranda Projects within the Leinster district of the North Eastern Goldfields of Western Australia; an area we believe offers the most attractive opportunities for future success.

Our objectives are the discovery and development of a high-quality stand alone nickel sulphide deposit and maximisation of shareholder wealth for non-priority assets.
