Dear Sir

INDIAN MEDIA RELEASES

The Company has become aware of various Indian broadcast news items and numerous print media articles mentioning Cluff Resources.

Further to general statements about India made in our last Annual Report, Cluff is specifically pursuing mining opportunities in the state of Karnataka. The Hutti Gold Mines of India has recently released information to the media confirming our activities.

Considering the continuous disclosure provisions of the ASX Listing Rules and the existence and subject matter of these media releases, the Company feels obligated to make the Australian market aware of their existence.

Links to these articles and some of the other media articles are available on our website, www.cluff.com.au/html/home.html

Alternatively, the articles may be found by conducting a Google search using the keywords 'Cluff', 'India', 'Gold' and 'Hutti'.
