Dear Lux,

REQUEST FOR SUSPENSION OF SECURITIES FROM OFFICIAL QUOTATION

Pursuant to ASX Listing Rule 17.2, Cluff Resources Pacific NL (the "**Company**"; ASX: **CFR**) requests voluntary suspension from quotation of its securities (ASX: CFR and CFROB), effective from the opening of trading on Friday the 12th of November 2010.

By way of background, the Company previously requested a temporary trading halt due to the anticipated announcement of a major business agreement. The trading halt was granted by the ASX until the earliest of the Company releasing the announcement to the market or the commencement of trade on Friday, 12 November 2010.

As of this morning, the Company is not in a position to announce all of the terms and conditions of the business agreement, and as such requests the suspension from quotation until all details are finalised.

The Company anticipates that its securities will remain suspended from quotation until this point has been reached, and expects to be in a position to make an announcement to this effect, so as to end the suspension prior to the commencement of trading on Monday the 15th of November 2010.

The Company is not aware of any reason why trading of its securities should not be suspended.

Thank you for your assistance.

Yours faithfully

Scott Enderby,
Company Secretary / Executive Director
