Dear Matthew

Clough Limited – Trading Halt Request

We hereby request a trading halt effective the opening of trading 16 December 2010.

Reason – Clough is in the process of finalising a major contract. The contract has been signed by Clough and was due to be signed by the client this afternoon. This has been delayed and the contract is now expected to be signed tomorrow morning, after the opening of the market.

How Long – We expect the contract to be signed tomorrow morning. As soon as this has been done the ASX Release advising of the award of the contract will be place on the announcements platform.

We are not aware of any reason why the trading halt should not be granted.
