### **Directors' report**

Your Directors present their report on the consolidated entity consisting of CL Asset Holdings Limited and the entities it controlled at the end of, or during, the half-year ending 31 December 2009.

#### **Directors**

The names of the Directors of the Company at any time during or since the end of the half-year are:

Theodore Baker, Managing Director Gary Dainton, Non-executive Director Peter Mitropoulos, Non-executive Director

#### **Review of operations**

A net loss was recorded for the six months ending 31 December 2009 of \$0.17 million. Revenue was down modestly as there were no property sales in the half-year and ICT hardware sales were down due to the strengthening of the Australian dollar. The Company's balance sheet remains strong, with net assets of \$20 million including \$1.1 million in cash as at 31 December 2009.

#### **Asset Trading Group Pty Ltd**

The Company established a subsidiary called Asset Trading Group Pty Ltd ("ATG") in August 2008. ATG is engaged in the sale of distressed Information and Communication Technology ("ICT") hardware which includes mobile phones, smart phones, personal digital assistant devices (PDAs), ICT accessories and other related products. ATG generally sells its stock to overseas' buyers predominantly in the Asian region. Over the last six months ATG has established relationships with buyers in European and American markets and expects to increase sales in these regions in the near future. Total sales fell slightly to \$5.2 million this half-year due to the rise in the Australian dollar resulting in increased product selling prices and hence reducing ATG's competitiveness.

#### **Kinsmen Securities Limited**

In December 2008 the Company completed its acquisition of Kinsmen Securities Limited ("Kinsmen"). Kinsmen is a specialist property fund manager for retail and institutional investors. During the last six months Kinsmen rationalised the number of funds it manages down to 5, saving on administration costs and improving overall efficiencies. The CL Asset Holdings Board is of the view that Kinsmen will provide a platform from which the Company can enter the property funds management sector in the years to come by leveraging Kinsmen's expertise and proven track record.

#### RewardsCorp Limited

CL Asset Holdings holds a 44% stake in RewardsCorp Limited ("RewardsCorp"). RewardsCorp is in the business of the design and implementation of leisure-based sales promotions, rewards programs and incentives for national and international organisations. As an adjunct to its business, in late 2007 RewardsCorp commenced a retail travel business focused on promoting and selling key international travel destinations.

RewardsCorp has made a small profit in the half-year improving from a loss last year. Further improved performance is budgeted by its management, however the Board has taken a prudent view not to reverse any of the previous year's impairment.

#### **Rental Accommodation**

The Company owns and manages 65 studio styled units located at its Waratah (Newcastle) site which are rented as budget and student styled accommodation. Occupancy levels averaged approximately 90% and continue to provide a stable rental return.

### **Directors' report (continued)**

#### Lending

The Company advanced no new loans in the last six months however it did increase loan limits on two of its existing loans where additional security was provided. During the six months period loans totalling \$77,454 that had previously been provided against were recovered. No new loan provisions have been made in the period. Our loans are typically predicated on the borrower repaying their loan through the sale or refinancing of property held as security. Considering the broader issues in debt markets and an expectation that borrowers seeking to refinance will find it more difficult to do so the Company is expecting that a number of its borrowers will take longer to repay their loans.

### Other Opportunities

The Company continues to consider other opportunities (related and unrelated to the Company's existing business), which may generate future sustainable growth and earnings for its shareholders and form the basis of the Company's longer term strategy.

#### **Auditors' Responsibility**

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standards on Review Engagements ASRE 2410 Review of an Interim Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the Corporations Act 2001 including giving a true and fair view of the consolidated entity's financial position as at 31 December 2009 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of CL Asset Holdings Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. It also includes reading the other information included with the financial report to determine whether it contains any material inconsistencies with the financial report. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our review was not designed to provide assurance on internal controls.

Our review did not involve an analysis of the prudence of business decisions made by directors or management.

#### HALF YEARLY REPORT
