**ALS TO ESTABLISH AN ACCEPTANCE FACILITY FOR CERTAIN ELIGIBLE
SHAREHOLDERS IN RELATION TO ITS RECOMMENDED OFFER FOR ALL THE
ORDINARY SHARES IN AMMTEC LIMITED ('AMMTEC')**

Acceptance Facility

Campbell Brothers and its wholly-owned subsidiary, Australian Laboratory Services Pty Ltd, (**ALS**) are pleased to announce that ALS has engaged Computershare Investor Services Pty Limited (**Facility Agent**) to establish an acceptance facility for certain eligible Ammtec shareholders (**Facility**) in relation to ALS' offer. The purpose of the Facility is to provide eligible Ammtec shareholders who are supportive of ALS' offer but who are unable to accept the offer at this time with the ability to publicly demonstrate their intention to accept.

Acceptance instructions held in the Facility will only be lodged as formal acceptances of ALS' offer once ALS has declared its offer free of the conditions described in section 10.8 of the Bidder's Statement or has confirmed that it will do so once all acceptance instructions received in the Facility have been processed. Details of which Ammtec shareholders are eligible to participate in the Facility and a summary of the terms of the Facility may be found in the Sixth Supplementary Bidder's Statement provided to the market earlier today.

ALS will report to ASX any movement of at least 1% in the aggregate of the number of Ammtec shares subject to the Facility and the number of Ammtec shares in which ALS has a relevant interest, together with a breakdown of the aggregate amount between those two categories, by 9.30am on the next business day after any such movement occurs.
