Major South Australian Retailer Signs Seven Year Agreement

Customers ATM, a member of Customers Limited Group, today announced a seven year agreement with Peregrine Corporation, to continue the provision of ATM services across their "On The Run" convenience sites.

The agreement, which will see Customers ATM continue providing and operating ATMs in a 24-hour environment at the BP *On The Run* branded convenience sites, highlights Customers ATM's position of strength in the marketplace.

The 51 *On The Run* sites in Adelaide each house a variety of outlets such as BP service stations, C Coffee, Happy Wash car washes, Brumby's Bakeries and Subway.

Customers ATM Managing Director, Tim Wildash, said the agreement was the second long-term partnership between the two companies.

"Signing with a supplier for seven years is a significant commitment. *On The Run* and Peregrine Corporation's choice to renew their partnership with us is testament to our consistently superior level of service and ATM network reliability," Mr Wildash said.

"We own and operate more than a fifth of all ATMs in Australia and more bank-branded terminals than other providers. Agreements with leading convenience retailers such as Peregrine further strengthen our market-leading position."

Peregrine Executive Director, Yasser Shahin, said he was looking forward to continuing working with Customers ATM.

"As Adelaide's leading convenience retailer, we must ensure we have experienced, reliable suppliers so that we can focus on our core business," Mr Shahin said.

"Customers ATM has more than proven its reliability to us, demonstrating flexibility and fast, responsive service and support, 24 hours a day."

Bendigo Bank branding will be rolled out to the *On The Run* ATMs, as part of the bank's commitment to making more ATMs available to its customers. Bendigo Bank is a long-term partner of Customers ATM, with Customers branding and operating ATMs on the bank's behalf.
