# Third supplementary prospectus

This third supplementary prospectus is dated 17 December 2010 and acts to supplement the Replacement Prospectus dated and lodged with the Australian Securities and Investments Commission (ASIC) on 25 October 2010 issued by Dynamic Agri Tech Ltd ACN 060 891 796. It also acts to supplement the first supplementary prospectus dated 26 November 2010 and the second supplementary prospectus dated 10 December 2010 which operated to extend the Closing Date of the Replacement Prospectus to 17 December 2010.

The purpose of this third supplementary prospectus is to further extend the Closing Date of the Offers under the Replacement Prospectus and to also alert persons who have already subscribed for shares in Dynamic Agri Tech Ltd (Company) to their withdrawal rights under section 724 of the Corporations Act 2001. These matters are dealt with below.

## New Closing Date of the Offers

The new Closing Date of the Offers under the Replacement Prospectus has been extended to Monday 31 January 2011. The new date of 31 January 2011 is to be substituted in all places in the Replacement Prospectus where a Closing Date was specified. The term 'Closing Date' appears as a definitive date on pages 4, 9, 11 and 100 (in terms of guidance) although the date may also appear elsewhere. As a result of the Closing Date being extended to **31 January 2011**, the following consequential dates will apply unless the offer closes earlier at the discretion of the directors:

Closing Date: 31 January 2011.

Date when shares are expected to be allotted: **7 February 2011**.

Expected despatch of holding statements: 11 February 2011.

Anticipated commencement date of ASX trading: 17 February 2011.

## Consequential rights of persons who have already subscribed for shares

Section 724 of the Corporations Act 2001 confers cancellation rights on share applicants if a prospectus offering shares states or implies that the shares are to be quoted on a financial market and if those securities are not subsequently listed and then quoted in three months after the date of the prospectus. In the Company's circumstances, the original prospectus issued by it was issued on 24 September 2010 and the three months period referred to will expire on 24 December 2010. Accordingly, as the Company will not be ASX listed with its shares quoted by 24 December 2010, this entitles any person who subscribed for shares to withdraw their application.

# Withdrawal rights

Consequentially, because the Company still plans to proceed with its Offers and its intended ASX listing and quotation, existing Applicants who have applied for and paid for their shares under the Prospectus may elect to withdraw their application for shares and to be provided with a full refund of the amount paid on subscription for those shares.
