COMPANY UPDATE

Further to its Quarterly Report dated 30 April 2010, DataMotion Asia Pacific Limited (“the Company”) is pleased to advise the following.

The receipts and payments for the quarter were substantially in accordance with the budgeted estimates. During the quarter ended 31 March 2010 the Company incurred extraordinary expenditure relating to the board restructure and the 249D notice. The board has taken the appropriate steps to reduce expenditure, in particular the recent reduction of executive staff costs. As part of the ongoing business model, discussions are continuing with its customers and other industry participants with respect to providing services from its DataCentre to increase revenue.

In the opinion of the Directors the Company is in compliance with ASX listing rules and its continuous disclosure obligations.

We look forward to providing further updates as the Company progresses.

Yours faithfully

Joshua Wellisch
