POLICY FOR TRADING IN COMPANY SECURITIES

Introduction

1 The Company recognises and enforces legal and ethical restrictions on trading in its securities by relevant persons within and external to the Company. The terms of this securities dealing policy apply to the Company's directors, senior executives, employees and consultants (Relevant Persons).

Communication

2 This policy will be communicated to all Relevant Persons and will be placed on the Company website.

Trading Restrictions

- 3 Trading by Relevant Persons in the Company's securities is subject to the following limitations:
- 4 No trading in Company securities shall take place during the two weeks preceding release of each quarterly report, half-yearly financial report, and annual financial report of the Company.
- 5 No trading in Company's securities shall take place directly or indirectly where it is known, or ought reasonably to have been known by the person intending to trade, that information exists that has not been released to the ASX and where that information is of a type that reasonably could be expected to encourage buying or selling were that information known by others, or for a period of 1 trading day after the release of such information.
- 6 No trading shall take place in Company securities unless prior notice is given to the Chairperson.

Hardship

7 During a period specified in section 4, Relevant Persons may, after obtaining the Chairperson's consent, trade the Company's securities to the extent reasonably necessary to avoid or ameliorate documented hardship and suffering or as required by other extenuating circumstances.

Directors' trading and disclosures

- 8 Within 24 hours of a director being appointed to the Board, resigning or being removed from the Board, or trading in the Company's securities, full details of the director's notifiable interests in the Company's securities and changes in such interest must be advised to the Company Secretary so that a record is kept within the Company and so that necessary ASX notifications will occur.
- 9 All directors must notify the Company Secretary of any margin loan or similar funding arrangement entered into in relation to the Company's securities and any variations to such arrangements, including the number of securities involved, the circumstances in which the lender can make margin calls, and the right of the lender to dispose of securities.

Excluded trades

10 The following trades are excluded from the operation of this policy:

- dividend reinvestment plans;
- share purchase plans;
- rights issues;
- 14 accepting takeover offers;
- pre-approved non-discretionary trading plans which are not entered into or subsequently amended during the periods described in section 3 of this policy; and
- margin calls.

Yours faithfully
