Dear Gonzalo

Request for Suspension

Dart Mining NL ("Dart Mining") (ASX: DTM) requests that an extension of its suspension from quotation be granted by the Australian Securities Exchange ("ASX") with respect to Dart Mining's ordinary shares.

In accordance with ASX Listing Rule 17.2, Dart Mining advises that:

- Dart Mining seeks the extension of the suspension pending an announcement to be made to the market regarding a capital raising by way of a share placement;
- Dart Mining expects the suspension to last for one (1) trading day and requests the suspension end on either the earlier of the commencement of normal trading on Thursday, 9 December 2010 or when the anticipated announcement referred to above is released to the market;
- Dart Mining is not aware of any reason why the suspension should not be granted or of any other information necessary to inform the market about the suspension.

Please contact me if you have any questions.

Yours sincerely,

Chris Bain

Chairman and Acting Chief Executive Officer
