Dear Sirs,

**Voluntary Suspension**

The Company requests the securities of Eastland Medical Systems (EMS) be placed in voluntary suspension due to the death of a key director which may have an impact on the Company's capital raising.

Unless ASX decides otherwise, the securities will remain in pre-open until the earlier of commencement of normal trading on Monday, 9 August 2010 or when the announcement is released to the market.

The Company is not aware of any reason why the voluntary suspension should not be granted.
