## **ABOUT HEALTH CORPORATION**

The Company has also developed a number of other products through its focus on innovation, and will continue to pursue complementary investment opportunities to maximise future returns to shareholders. As advised previously, the Company through its subsidiaries maintains focus on Chemconsult® and Health Information Pharmacy (HIP) franchise businesses, with a particular focus on the Chemconsult® business.

With the help of the new investment syndicate, the Company is actively reviewing other complimentary opportunities to create shareholder value, and is reviewing current activities with a view to reduce exposure to non-core, or loss making activities.
