Dear Sir

Net Asset Backing – 28 February 2010

The Directors advise that the unaudited net asset backing of the company's shares at 28 February 2010 was \$1.500 per share.

The company is a long-term equity investor and does not intend to dispose of its total portfolio. If estimated tax on unrealised portfolio gains / (losses) were to be deducted, the above figure would be \$1.441 per share.

The above net asset backing is after providing for the dividend payment of 4.25c per share.

Yours sincerely

I W Harrison
Company Secretary
