Dear Ms Kagan

Trading Halt Application

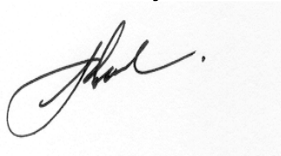

Jetset Travelworld Limited (ASX Code: JET) requests a trading halt under Listing Rule 17.1, commencing prior to 10:00 am today, Monday 6 September 2010.

JET is proposing to merge with Stella Travel Services. The General Meeting of JET shareholders to consider whether or not to approve that merger is scheduled to commence at 10 am (Sydney time) this morning, 6 September 2010.

JET requests a trading halt to prevent people who attend the General Meeting being more informed than the Market generally as a result of disclosures made at the General Meeting. JET would like the trading halt to last until the results of the General Meeting are announced to the Market by JET following conclusion of the meeting and, in any event, not beyond the time prescribed in the ASX Market Rules.

JET is not aware of any reason why the trading halt should not be granted by ASX.

Yours faithfully

Stephen F Heesh
Company Secretary
