Background on Konekt Ltd (www.konekt.com.au)

Konekt provides a unique and holistic services and technology offering targeted at improving workplace health and reducing costs in complex environments to Insurers, employers and the community.

These include Pre-employment screening, Occupational health, safety, training, incident management, return to work services and job redeployment. The company underpins its activities with a powerful propriety software program, Konektiva which manages an employee's health status and recovery whilst producing improved workflow, knowledge management and integration opportunities.

The company has established itself as a market leader in the workers compensation arena and is now broadening its offering in aligned health services.

The Company aims to position itself as the foremost provider of services through:

- Continuous improvement of process, systems and services for our customers
- Becoming the industry benchmark and advocate
- Provision of the best outcomes for all stakeholders

Visit the Konekt website today (<u>www.konekt.com.au</u>) to register for e-mails alerts and be among the first to know about the latest news and announcements from Konekt.

Investor relations strategy

- Share price growth
- KKT liquidity and comparatives to other microcaps
- Trading multiples & analyst report
- Positive press coverage AFR, BRW and media releases

KKT liquidity and comparatives to other microcaps

- Due to successful financial growth and our investor relations strategy, liquidity has grown from 21% in 2008 and 19% in 2009 to 50% in the current year.
- A sample of 24 micro stocks returned an average of 34%, making our performance of approximately 50% better

Investor relations strategy

- Share price growth
- KKT liquidity and comparatives to other microcaps

Trading multiples & analyst report

Positive press coverage – AFR, BRW and media releases

Trading multiples & analyst report

- KKT multiples increased steadily over the past 12mths.
- Some significant shareholders setting target of 15cent share price by June 2010, with actual achievement occurring in Feb 2010
- Multiples will increase as company performance continues to grow, with several potential shareholders stating they would like to wait for further evidence of continuous growth
- Despite the above, KKT has achieved levels of comparative stocks, as can be seen by analysis done in analyst report

Key Achievements

KONEKT New Offerings

• Konekt Integrated Employer Solution (KIES) provides businesses the option to outsource part, or all of their OHS, injury and workers compensation risk management function. KIES combines the service capability of Konekt's allied health professionals with a new innovative technology platform that provides complete process and compliance transparency.

KONEKT New Offerings

• Konekt Pre-employment services in partnership with the Health Advantage Group have embarked on the design and implementation of a landmark product offering which revolutionise the medical preemployment industry. The new digitised system combines the best aspects of both the traditional medical doctor provided screen, interfaced with the Konekt functional assessment all undertaken at one location.

Strategic Planning Gap

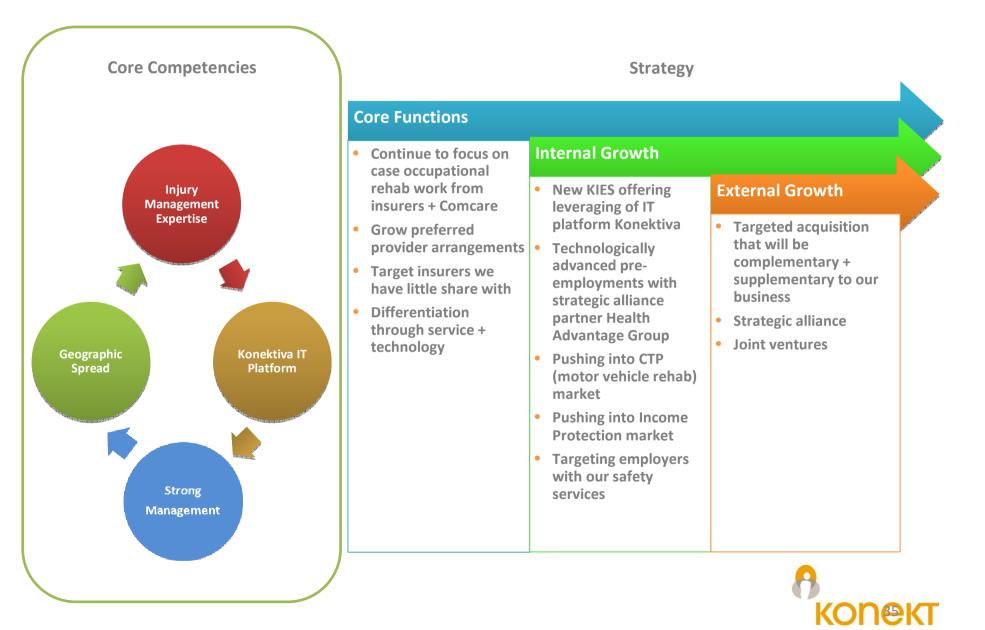

Strategic Direction

Current Situation Achievements this year

Strategic Direction What is the strategy?

Execution How will we execute?

Outlook For 09/10 full year

Growth Expectations

- Minimum of 15% annual organic growth
- Improving profitability percentage from revenue growth
- Acquisition sought in targeted niches.
 Generally earn out type deals
- Strategic alliances much more actively pursued

Execution

- Significant investment into the IT development of the KIES offering
- Investment into the digitised pre-employment offering
- Three new BD staff recently hired to execute our strategy
- Significant training of our operational management in BD has occurred
- Dedicated resources to execute the CTP and Income Protection market focus

Current Situation Achievements this year

Strategic Direction What is the strategy?

Execution How will we execute?

Outlook For 09/10 full year

Update on full year outlook

- Last quarter revenue has been negatively impacted by file portability in NSW as a result of the recent tender
- Revenue now expected to come in around \$36.2m, with EBIT of \$2.2m.
- Cash flow from operations of \$2.3m and available funds of \$4.4m.

Full year NP outlook

- As a result of the continued profitability of the company it will be necessary to recognise prior years tax losses and other temporary differences in the 2009-2010 accounts
- As a result we will have a one off positive adjustment to earnings and future years earnings will be subject to income tax expense

Full year NP outlook

EBIT	\$2.2m	
Interest	\$(0.1m)	
PBT	\$2.1m	
Tax on PBT	\$(0.6m)	
Tax credit on prior year tax losses and temp diff	\$3.3m	
PAT	\$4.8m	
EPS 6.8 cents		
Average shares on issue 70,892,959		

In closing, I would like to thank you for your support as shareholders.
