

## **ASX Release**

9 February 2010

### **MMap FOREIGN OWNERSHIP LEVEL**

MMap advises that its foreign ownership level has fallen to 39.1% from 39.8% previously advised.

MMap is not a "Foreign Person" under the Airports Act 1996 for so long as foreign ownership of MMap remains below 40%.

The MMap constitution sets out the process for disposal of securities to prevent MMap from becoming a Foreign Person or to cure the situation where MMap becomes a Foreign Person (Foreign Ownership Situation). Where a Foreign Ownership Situation occurs or is likely to occur, MMap can require a foreign security holder (on a last in first out basis) to dispose of MMap stapled securities. MMap has the power to commence procedures to divest foreign security holders once the foreign ownership of MMap reaches 39.5% under the Foreign Ownership Divestment Rules that it has adopted. If the foreign security holder fails to dispose of its MMap stapled securities, MMap may sell those securities at the best price reasonably obtainable at the time.
