**Board Room Radio Video-Audio Presentation on MCO**

Resource Capital Research's Senior Resource Analyst Dr. Tony Parry has been interviewed as part of their March Quarter Gold Company Review and Morning Star Gold NL is reviewed along with other companies.

To listen to the audio interview of Dr. Parry and view the associated PowerPoint presentation, you may access them at the Morning Star Gold website (latest news) or at the Board Room Radio site.

Yours Sincerely,

Nick Garling

Morning Star Gold NL
