SOPHISTICATED INVESTORS PLACEMENT

Healthcare solutions company MediVac Limited [ASX: MDV] announced today that it had raised a further \$155,000 through the issue of 22,142,857 shares to two current sophisticated investor shareholders.

Shareholder approval will be sought at the Company's forthcoming Annual General Meeting to refresh its ability to raise new funds under Listing Rule 7.1.

The Company will encourage existing shareholder involvement as much as possible in any further capital raisings.

Paul McPherson
Executive Chairman

About MediVac Limited: "MDV"

MediVac delivers cleaner, safer healthcare solutions.

MediVac Technology offers a best practice solution to the handling and remediation of clinical waste. The MetaMizer is an environmentally friendly alternative waste management system for hospitals and quarantine facilities, providing sterile, safe waste disposal on site and reducing waste to landfill by up to 90%.

SunnyWipes are a range of powerful hard surface wipes and hand sanitising gels produced with ingredients derived from natural sources. Using green chemistry, SunnyWipes provides a more natural solution for infection control and disinfection on topical skin and non porous hard surfaces. SunnyWipes decrease human and environmental health risks.
