Dear Kim-Ly

### **Request for Extension of Suspension from Quotation**

On 15 February 2010, MIKOH Corporation Limited requested a voluntary suspension of its shares from trading, pending the official award of a significant contract.

MIKOH wishes to advise that whilst the contract has not officially been completed, the negotiations between the relevant parties have substantially progressed in a very positive manner. Once implemented, the contract will have a material impact on the long-term earnings of the Company.

The Company has requested the continuation of the suspension from trading and expects to remain suspended until the official award of the contract, likely to occur in the next seven to ten days.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Gary Phipps'.

Company Secretary

### **About MIKOH:**

MIKOH designs and implements custom end-to-end security solutions - solutions that authenticate, track, seal, manage, control, restrict access/movement and monitor physical or data assets that are in transit or storage, and which provide evidence of any tampering.

Founded in 1993, MIKOH is a world leading developer, custom solution provider and innovator of patented authentication and tamper detection technologies. MIKOH focuses on Automatic Vehicle Identification (AVI), secure asset tracking (objects, containers and vehicles), digital marking, and secure identification, thereby enhancing national security.

MIKOH's system-level solutions protect the physical and data assets of over 140 government and commercial organisations worldwide.

MIKOH is headquartered in Melbourne with offices in Sydney, Australia, as well as in McLean, VA and New York, NY in the USA, and in Singapore.
