Company parts ways with CEO and will start the hunt for a new CEO

Medic Vision Limited (ASX:MVH) (**the Company**) wishes to advise that it has provided its Chief Executive Officer, Mr Vince Leone, with 3 months notices of its intention to terminate Mr Leone's two year Employment Agreement with the Company.

Mr Leone will be placed on gardening leave for the duration of the three months notice period. Mr Leone's employment with the Company will formally cease on 15 December 2010.

Chairman of the Company, Mr Jitto Arulampalam, said today "the Board would like to thank Mr Leone for his services over the past 18 months. Mr Leone played an important role in the Company's early restructure plans and its relisting on the ASX market in late 2009."

The Board has undertaken a review in order to establish the ongoing management requirements for the Company and has set in place a process to ensure that there is appropriate management capability in place for the Company.

Mr Arulampalam will take on the role of Executive Chairman during the transitional phase.

The Company will immediately start the process for finding a new CEO.
