Dear Sir/Madam

PacMag Metals Limited wishes to correct the release to the market from Entrée Gold Inc's letter of the rate of exchange to be used for the calculation of the consideration payable to Share Scheme and Options Scheme participants.

The corrected rate should read 1.1298 Australian dollars for each Canadian dollar, being the latest nominal noon rate as published by the Bank of Canada at 12:30pm (Canadian Eastern Standard time) on the Effective Date of 16th June 2010.

Yours faithfully

Melinda J Nelmes
Company Secretary
