### **Philips Case Settled**

InSight Oceania P/L (InSight) has agreed to have the current proceedings for damages against Philips dismissed.

InSight has entered into a revised commercial agreement with Philips Electronics Australia Limited (Philips) which will significantly enhance InSight's existing medical equipment distribution and service business in Australia and New Zealand.

InSight is a leading supplier of medical imaging equipment in Australia and New Zealand and the exclusive distributor for Philips Nuclear Medicine, PET and Radiation Therapy Planning systems.
