ASX RELEASE: ROSS HUMAN DIRECTIONS LIMITED (ASX:RHD)

FULL YEAR PROFIT UPGRADE

Ross Human Directions Limited (RHD) wishes to provide the market with updated profit guidance for the year ended 30 June 2010.

Management results to the end of May 2010 presented to the Board indicate better than anticipated profitable performance. This is primarily as a result of increased returns in the non recruitment divisions and the continuing control of the cost base.

Accordingly, at this time, it is anticipated that the Company will achieve Net Profit after Tax (NPAT) for the year ending 30 June, 2010 of between 54% and 66% above the prior year result. That is, an expected NPAT of between \$6.275 million and \$6.775 million compared with \$4.073 million for the 2009 year.
