# **Agreement with Movies Online**

In September 2009 the Company entered into an agreement with Movies Online Ltd ("MOL") for the assignment from MOL to the Company of intellectual property relating to the online delivery of movies to subscribers. The agreement gives the Company the capacity to continue with the business of providing online movies.

The Deed of Company Arrangement to which the Company was subject has now been effectuated and the company has been returned to the control of its directors. The board of the Company proposes to investigate the ongoing viability of that online movie business and will make further announcements as that investigation proceeds.
