TEXAS UPDATE

Range Resources Limited ("**Range**" or "**the Company**") would like to announce a further update on the Company's US Gulf Coast interests leading into the closing date of the rights issue, Friday 19 February 2010.

The pipeline has now been connected to the sales meter and is in the process of being connected to the well meter. Once this is completed, the line will be cleaned and hydro pressure tested. Following purging of the test fluid, gas sales can commence, which is currently forecast to occur over the weekend – 20/21 February 2010.

The Company will continue to provide further updates on the progress of its portfolio of assets.

For and on behalf of the Board
