10 February 2010

Half year release date

Razor Risk Technologies Ltd (ASX RZR) advises that it expects to finalise and release its audited Half Year results for the period to 31 December 2009 on 15 February 2010. We are also pleased to advise that, despite continuing difficult market conditions and foreign exchange impacts, RZR expects to maintain net profit 20-30% ahead of the previous corresponding period through ongoing operational effectiveness.
