RE: TMA WINS QANTAS PRINT MANAGEMENT CONTRACT

Dear Sir.

The Directors are pleased to advise that our subsidiary, TMA Australia Pty Ltd (TMA), has been awarded the Qantas Print Management Contract, related to the procurement, execution and delivery of all printed matters for Qantas Airways Limited (ASX:QAN).

The 2 year agreement, with a 1 year option, is expected to generate up to \$10 million of annual revenue for the group and is in addition to TMA's existing contract with Qantas.

Qantas' review of this contract forms part of its Procurement Transformation Program. The switch to TMA will deliver savings on print in excess 25% as well as service improvements through a digital asset management system and a consolidation of the supply base with routine form printing.

Anthony Karam, Managing Director of TMA, stated: "The contract represents further expansion of our print management presence in the market place, and allows TMA to continue to grow on its strong B2B foundation. Print management continues to be an area of growth for the Group."

If you have any questions or require further information, please contact Anthony Karam or myself on 02 9892 9999.

Yours faithfully

Michael Whelan Chairman
