Viterra to Host First Quarter Conference Call and Webcast on March 10, 2010

Mayo Schmidt, President and Chief Executive Officer of Viterra, invites you to join him on a conference call on Wednesday, March 10, 2010 at 1:15 p.m. EST, (11:15 a.m. MST) to discuss Viterra's first quarter results ending January 31, 2010. They will be available on Viterra's website at www.viterra.ca following the SEDAR filing.

Conference Call Access:

Approximately ten minutes before the start of the call, contact the conference call operator at:

Canada/US: 888-340-9655

International: 800-9559-6849

Please Note: For International calling, dial the International access code of the country you are calling from.

A question and answer period will follow. A replay of the call will be available until midnight March 24, 2010, by dialing 800-408-3053, passcode number 5853703.

Webcast Access:

The conference call will also be simultaneously webcast on Viterra's website at <http://www.viterra.ca/portal/wps/portal/viterra/investors>. To pre-register, please go to <http://www.viterra.ca/portal/wps/portal/viterra/investors>. Participants will require Windows MediaPlayer or Real Player. For those unable to participate, an archived webcast of the conference call will be available at www.viterra.ca.

About Viterra

Viterra Inc. provides premium quality ingredients to leading global food manufacturers. Headquartered in Canada, the global agribusiness has extensive operations across Western Canada, Australia, and New Zealand, with Adelaide, Australia as the base for Viterra's Southeast Asian operations. Our growing international presence also extends to operations in the United States, offices in Japan, Singapore, China and Switzerland. Driven by an entrepreneurial spirit we operate in five interrelated business areas: grain handling and marketing, agri-products, food processing, feed products and financial services. Our expertise, close relationships with producers, and superior logistical assets allow the company to consistently meet the needs of the most discerning end-use customers, helping to fulfill the nutritional needs of people around the world.
