Viterra to Host Year-End Conference Call and Webcast on January 21, 2010

Mayo Schmidt, President and Chief Executive Officer of Viterra, invites you to join him on a conference call on Thursday, January 21, 2010 at 8:00 a.m. EST, (7:00 a.m. CST) to discuss Viterra's fourth quarter/year-end results ending October 31, 2009. Viterra intends to issue its news release overnight and will file its Annual Financial Statements, Notes to the Consolidated Financial Statements and Management's Discussion and Analysis on SEDAR approximately three hours prior to the call. They will be available on Viterra's website at www.viterra.ca following the filing.

Conference Call Access:

Approximately ten minutes before the start of the call, contact the conference call operator at:

Canada/US: 800-565-0813
International: 800-4222-8835

Please Note: For International calling, dial the International access code of the country you are calling from.

A question and answer period will follow. A replay of the call will be available until midnight February 4, 2010, by dialing 800-408-3053, passcode number 4885620.

Webcast Access:

The conference call will also be simultaneously webcast on Viterra's website at <http://www.viterra.ca/portal/wps/portal/viterra/investors>. To pre-register, please go to <http://www.viterra.ca/portal/wps/portal/viterra/investors>. Participants will require Windows MediaPlayer or Real Player. For those unable to participate, an archived webcast of the conference call will be available at www.viterra.ca.

About Viterra

Viterra Inc. provides premium quality ingredients to leading global food manufacturers. Headquartered in Canada, the global agribusiness has extensive operations across Western Canada, Australia, and New Zealand, with Adelaide, Australia as the base for Viterra's Southeast Asian operations. Our growing international presence also extends to operations in the United States, offices in Japan, Singapore, China, Switzerland and India. Driven by an entrepreneurial spirit we operate in five interrelated business areas: grain handling and marketing, agri-products, food processing, feed products and financial services. Our expertise, close relationships with producers, and superior logistical assets allow the company to consistently meet the needs of the most discerning end-use customers, helping to fulfill the nutritional needs of people around the world.
