### **Temporary Suspension of Buyback pending announcement of Strategic Review**

The board of Van Eyk Three Pillars today is pleased to announce that its strategic review is progressing very well. Substantial progress has been made by the board since being elected on 29 September 2009. The board expects to be able to announce the results of the strategic review to the market and all shareholders within the next month.

Given the status of the strategic review, the board has determined that it would be prudent to suspend the buyback until the announcement of the results of the strategic review.

The board is being advised by PricewaterhouseCoopers and Gilbert & Tobin in relation to the strategic review.

**Stuart Nisbett**  
Chairman
