Award of ConocoPhillips Engineering and Advanced Procurement Services for the Jasmine Area Development

WorleyParsons is pleased to announce that it has been selected to provide front end engineering design (FEED) definition and advanced procurement services for ConocoPhillips-operated Jasmine Area Development project (Jasmine) in the North Sea. The contract also includes an option for the detailed engineering of Jasmine and follows WorleyParsons' successful performance of the Jasmine FEED optimisation services.

WorleyParsons is performing the work from its offices in London, Woking and Kuala Lumpur. Mr Stuart Bradie, WorleyParsons' Regional Managing Director Europe & Africa, says: "This award by ConocoPhillips is WorleyParsons' first major offshore platform award in the North Sea and reinforces our commitment to the expansion of our offshore business in the North Sea."
