Dear Madam,

CORRECTION

**113.0 metres at 1.52 g/t gold and a further 27.0 metres
at 1.68 g/t gold in hole WDD010 at Wonogiri**

I advise that the intercept reported for hole WDD010 at Wonogiri should be:

- Gold results received for the first 239 metres of hole **WDD010**, with results returning **113.0 metres at 1.52 g/t gold** from 50 metres and a further **27.0 metres at 1.68 g/t gold** from 212 metres depth (open at depth).

For further information, please contact Grant Kensington on +61 2 9300 3310.

Yours sincerely

Grant Kensington
Managing Director
