ASX Release

The directors of AXG Mining Ltd ("AXG") have pleasure in presenting their quarterly report for the period ended 30 June 2011.

Corporate

During the quarter the company continued in its efforts to finalise its investment agreement with the Turkmenistan Government.

Unfortunately after continuous assurances and promises there was little progress.

Subsequent to the end of June the Board has reluctantly decided to close its Turkmenistan office and has terminated all its employment contracts.

During the June quarter the AXG Board began negotiations to establish a presence in South America and has appointed independent consultants to evaluate a number of projects on behalf of AXG Ltd.

Over this period the Company has evaluated a number of these investment opportunities and is looking forward to finalising one of these projects over the next month.

The Company intends to proceed to a placement and rights issue to progress its on going activities.

For any further information please contact Alex Bajada, Chairman.
