ASX Announcement

Anittel buys IT West

The Board of Anittel Group Limited (ASX:AYG) would like to announce the asset purchase of IT West effective 1 April 2011. IT West is based in Dubbo and is a leading regional Managed IT Services business with customers in Dubbo, Mudgee, Orange and other regional cities. Peter Vane, MD of IT West, will take a leading role in the execution of Anittel strategy in regional Australia.

The consolidation of the IT West customer base and operations in Dubbo strengthens our position as the leading IT and telecommunications provider in regional NSW.

Mr Kazacos states: "The integration of IT West shows we are well placed to continue to expand our customer base in regional areas in an affordable way and to maximum effect. We are delighted to welcome Peter Vane and his team to the Anittel family, and look forward to continue to support with great products and services the needs of regional businesses."
