

ASX/MEDIA RELEASE

3 February 2011

Clough awarded contract, offshore Indonesia

Engineering and construction company Clough Limited (ASX:CLO) are pleased to confirm details of an offshore contract, awarded in December and referred to via an announcement made by the Company on 20 December 2010.

Clough and partner PT Advanced Offshore Services have been awarded a contract by ConocoPhillips for remedial work located in the Natuna Sea, Indonesia.

The scope of work involves a mooring buoy, mooring chains, risers and umbilicals, in water depths of approximately 90 metres. These operations shall be diver-assisted and carried out from Clough's derrick lay barge, Java Constructor. Preparatory work and offshore mobilisation has commenced.

"We are delighted to be selected by ConocoPhillips for this important piece of work and will work diligently to deliver a safe outcome." said Clough's CEO John Smith.
