Scheme Booklet Printing Error

It has come to Dominion's attention that a printing error has occurred in a small number of the Scheme Booklets sent to shareholders and optionholders in late December 2010. Dominion understands that no more than 14 booklets (approximately 0.2% out of approximately 7,000 printed) issued to shareholders and optionholders may be affected. In those affected Scheme Booklets pages 321 to 336 have been omitted and pages 305 to 320 have been duplicated in their place.

The missing pages are in Appendix 3 to the Scheme Booklet and comprise part of the copy of the Scheme Implementation Agreement. The material provisions of the Scheme Implementation Agreement are summarised in Section 6 of the Scheme Booklet.

If you have received a copy of the Scheme Booklet which contains the printing error, you may obtain a new copy of the Scheme Booklet by calling the Dominion Scheme Information Line on 1300 034 846 (free call from within Australia) or +61 2 9191 5968 (from outside Australia). Alternatively, you may obtain a copy of the Scheme Booklet from the Dominion website (www.dml.com.au) or from the ASX website (www.asx.com.au).
