Issue of Unquoted Options

4C Security Solutions Limited (ASX: FCS), today announced the issue of 6.7m unquoted options in part consideration for the establishment of a unsecured loan facility of A\$201,000. The other part consideration of the establishment fee is a cash component of A\$1,000 which will be capitalised as part of the loan.

The loan facility will be used to fund working capital requirements of the Group which have increased in part due to the increase in inventory required for our new products range. The loan facility will become repayable, subject to terms and conditions on or before 15 January, 2013.

The options are unquoted, have an exercise price of \$0.03 cents per share and may be exercised at any time up to 31 December 2017, after which time any options not exercised will lapse. The options do not confer any rights to participate in new issues of securities however, they may be reconstructed in any reconstruction of capital of the Company, including rights issues and bonus issues. Shares allotted on the exercise of the options will rank equally in all respects with the issued fully paid shares of the Company
