NOTICE OF ANNUAL GENERAL MEETING

The Annual General Meeting of the shareholders of GRG International Limited will be held:

- on Monday 28 November 2011
- at 11.00am
- at The Boardroom, Toorak Corporate Centre, 19-21 Milton Parade, Malvern, Victoria

BUSINESS:

1 FINANCIAL REPORT

To consider and receive the annual Financial Statements, the Directors' Report and Audit Report of the Company.

The above documents are contained in the Annual Report. Shareholders who have elected to receive an electronic copy of the Annual Report can download a copy at http://www.grgatm.com/Investors/ASXannouncements/tabid/86/Default.aspx. Shareholders who have elected to receive a hard copy of the Annual Report will receive one with this Notice of Meeting. No resolution is necessary.

2 ADOPTION OF REMUNERATION REPORT

To consider and, if thought fit, to pass the following ordinary resolution:

"That the Remuneration Report contained in the Directors' Report be adopted."

Short Explanation

The Corporations Act 2001 requires listed companies to put to shareholders at the AGM a non-binding resolution concerning the Remuneration Report which is contained in the Directors' Report section of the Annual Report.

Shareholders will be given an opportunity to ask questions concerning the Remuneration Report at the AGM.

As stated, the resolution is non-binding.

Voting Exclusion Statement

The Corporations Act also requires the Company to exclude votes cast on this resolution by Key Management Personnel (**KMP**) and their Closely Related Parties. KMP broadly means those persons, including any director (whether executive or otherwise) having authority and responsibility for directly or indirectly planning, directing and controlling the Company's activities. These concepts are further set out in the Explanatory Memorandum.

Because of the way in which the Corporations Act is currently drafted, if you appoint the Chairman (or any other KMP) as proxy you must ensure that you tick the box on the proxy form directing the vote of your shares. Failure to tick this box will mean that he cannot vote your share.

Further details of this resolution are set out in the Explanatory Memorandum.

3 RETIREMENT OF DIRECTORS BY ROTATION AND BY OPERATION OF CONSTITUTION

To consider, and if thought fit, to pass the following resolutions as ordinary resolutions:

- 3.1 "That, having been elected during the year and retired pursuant to the Constitution of the Company, David DeCampo be elected as a director."
- 3.2 "That, having been elected during the year and retired pursuant to the Constitution of the Company, Frank Cooper be elected as a director."
- 3.3 "That having retired pursuant to the Constitution of the Company, Brian Kett be re-elected as a director."

Short Explanation

The Company's Constitution requires directors who have been elected during the year, other than the Managing Director, to retire at the first AGM following their election. Those directors are eligible to be elected by shareholders.

This rule applies to David DeCampo and Frank Cooper, who have offered themselves for election.

The Company's Constitution requires one third of the directors (other than the Managing Director or directors appointed during the year) to retire at each AGM, being the directors longest in office without having retired at an AGM. Directors retiring are eligible for re-election.

This rule applies to Brian Kett, who has offered himself for re-election.

Further details of this resolution are set out in the Explanatory Memorandum.

4 ESTABLISHMENT OF EMPLOYEE SHARE PLAN

To consider, and if thought fit, to pass the following as ordinary resolutions:

"That pursuant to Exception 9 of ASX Listing Rule 7.2 shareholders approve the establishment of the Company's Employee Share Plan on the terms and conditions, as set out in the Explanatory Memorandum, as an exception to ASX Listing Rule 7.1."

Short explanation

GRG has established the ESP.

ASX Listing Rule 7.1 requires approval from shareholders for issues of securities in excess of 15% of the issued capital. There are a number of exceptions to this set out in ASX Listing Rule 7.2, including Exception 9. This exception allows the issue of securities pursuant to an employee incentive scheme such as the ESOP where shareholders have approved that issue.

Resolution 4 seeks approval for that issue.

Further details of this resolution are set out in the Explanatory Memorandum. Capitalised terms used in this resolution are defined in the Explanatory Memorandum.

Voting Exclusion Statement

The Company will disregard votes cast in respect of resolution 4 by:

- (a) Any employee of the Company eligible to participate in the ESOP; and
- (b) Any associate of those persons.

However, the Company need not disregard a vote if it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form, or it is cast by the person chairing the meeting as a proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides (and the acknowledgment box on the proxy form in relation to this resolution is marked).

5 RATIFICATION OF ISSUE OF SECURITIES

To consider and, if thought fit, to pass the following Resolution as an ordinary resolution:

"That pursuant to ASX Listing Rule 7.4, the Company approves and ratifies the issue and allotment of the fully paid Shares and Options to the entities described in Table 1 of the Explanatory Memorandum."

Short Explanation

GRG has issued a number of Shares and options to the entities described in Table 1 of the Explanatory Memorandum, on the date set out in the Explanatory Memorandum. Funds raised have been used for the purposes set out in the Explanatory Memorandum.

The Board of GRG is allowed to issue up to 15% of its issued capital without Shareholder approval each 12 months. The Shares described above were issued without Shareholder approval and were within this limit. Under the Listing Rules, GRG can seek Shareholder ratification of an issue made within the 15% limit, and, if given, the effect of the ratification is to deem that the Shares issues were issued with Shareholder approval, meaning that, from the date of the approval, the Board is again able to issue up to a further 15% of the issued capital without Shareholder approval.

The purpose of this resolution is to seek this ratification.

Further details of both resolutions are set out in the attached Explanatory Memorandum.

Voting Exclusion Statement

The Company will disregard any votes cast on this resolution by the entities described in Table 1 of the Explanatory Memorandum or any associates of those entities.

However, the Company need not disregard a vote if it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form, or it is cast by the person chairing the meeting as a proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides (and the acknowledgment box on the proxy form in relation to this resolution is marked).

By order of the Board:

Oliver Carton
Company secretary

Dated: 24 October 2011

GRG INTERNATIONAL LIMITED ACN 141 662 240

EXPLANATORY STATEMENT

1. INTRODUCTION

The purpose of this Explanatory Statement is to provide shareholders with an explanation of the business of the meeting and the Resolution proposed to be considered at the Annual General Meeting.

2 RESOLUTION 2 - REMUNERATION REPORT

The Corporations Act 2001 requires listed companies to put to Shareholders at the AGM a non-binding resolution concerning the Remuneration Report which is contained in the Directors' Report section of the Annual Report.

The Corporations Act also requires the Company to exclude votes cast on the resolution by Key Management Personnel (**KMP**) and their Closely Related Parties. KMP broadly means those persons, including any director (whether executive or otherwise) having authority and responsibility for directly or indirectly planning, directing and controlling the Company's activities. 'Closely Related Parties' is defined as:

- a spouse or child of the KMP;
- a child of the KMP's spouse;
- a dependent of the KMP or the KMP's spouse;
- anyone else who is a member of the KMP's family and may be expected to influence the KMP or be influenced by the KMP, in the KMP's dealing with the entity;
- a company the KMP controls; or
- a person prescribed by the Corporations Regulations.

Because of the way in which the Corporations Act is currently drafted, if you appoint the Chairman (being Jeff Barrow) or any other KMP as proxy you must ensure that you tick the box on the proxy form directing the vote of your shares. Failure to tick either box will mean that the proxy cannot vote your shares.

Another important change in relation to adoption of the remuneration report is the ability of shareholders to "spill" the Company's board following "two strikes" against the adoption of the remuneration report at two successive AGMs.

In summary, if at least 25% of the votes cast on the resolution to adopt the remuneration report are voted **against** adopting the remuneration report at the 2011 AGM, and then again at the company's 2012 AGM, the company will be required to put to shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of new directors to the company (**Spill Resolution**).

If more than 50% of shareholders vote in favour of the Spill Resolution, the company must convene the extraordinary general meeting (**Spill Meeting**) within 90 days of the company's 2012 AGM. All of the directors who are in office when the company's 2012 directors' report is approved, other than the managing director, will cease to hold office immediately before the end of the Spill Meeting, but may stand for reelection at the Spill Meeting. Following the Spill Meeting, each person whose election or re-election as a director is approved, will become a director of the company.

3 RESOLUTION 3 - RETIREMENT OF DIRECTORS BY ROTATION AND BY OPERATION OF CONSTITUTION

The Company's Constitution requires directors who have been elected during the year, and one third of other directors, other than the Managing Director, to retire at the first AGM. Those directors are eligible to be elected by shareholders. This rule applies this year to David DeCampo, Frank Cooper and Brian Kett.

Details of the directors are contained in the Directors' Report section of the Annual Report.

The directors, other than the director the subject of the resolution, recommend that all shareholders vote in favour of this resolution. The Chairman intends to vote open proxies in favour of it.

4 RESOLUTION 4 - ISSUE OF SECURITIES UNDER EMPLOYEE SHARE PLAN

4.1 ESOP

The Company has established an Employee Share Plan (ESP).

(a) Objectives

The objectives of the ESOP are to:

- establish a method by which employees can participate in the future growth and profitability of the Company;
- (ii) provide an incentive and reward for employees for their contributions to the Company and the Group.

The ESP has been designed for all employees, but does not include a director of the Group. Securities may not be offered to Directors under the ESP.

(b) Terms

In summary, the terms of the ESP are as follows:

- (i) The Board will issue fully paid ordinary shares (Shares) to all employees as an annual bonus in lieu of a cash bonus.
- (ii) The number of Shares issued will be based on a percentage of the annual salary of each employee calculated on the amount by which the Company meets or exceeds its annual budget. If the Company fails to meet its annual budget no Shares will be issued. The maximum percentage of annual salary that can be converted into Shares is 7.5%, which is payable for exceeding the annual budget by 20% or more. By way of example, if the maximum percentage of annual salary for eligible employees was paid as a bonus in Shares at the date of this meeting, this would result in \$239,342 in Shares being issued. At a share price of \$0.15, this would result in 1,595,613 Shares being issued, or 1.18% of the expanded issued capital of the Company.
- (iii) The Company will pay all expenses, costs and charges in relation to the establishment and operation of the ESP, including all costs incurred in or associated with:
 - · an issue of Shares; and
 - listing those Shares on ASX,
 - granted to Employees under the ESP.
- (iv) Shares must not be offered under the ESP in a manner that would contravene the Corporations Act, the Listing Rules or the constitution of the Company and may be offered on any additional terms as the Board considers appropriate. As the Shares will be issued at nil consideration, it is not necessary to issue a prospectus in relation to them.

(c) ASX Listing Rule 7.2 Exception 9

In general terms, ASX Listing Rule 7.1 requires approval from shareholders for issues of securities in excess of 15% of the issued capital. ASX Listing Rule 7.2 Exception 9 allows securities to be issued under the ESOP to be an exception to the limitation on issuing securities in ASX Listing Rule 7.1 provided shareholder have approved issues under the ESOP. The meeting document seeking shareholder approval must contain:

- (i) A summary of the terms of the scheme see paragraph 4.1(b).
- (ii) The number of securities issued under the scheme since the date of the last approval as this is the first approval no securities have been issued under the ESOP since the last approval.
- (iii) A voting exclusion statement this is set out in the Notice of Meeting

- (i) the issue of Shares did not breach Listing Rule 7.1; and
- (ii) Shareholders subsequently approve the issue of those Shares by the Company.
