## ALLEGIANCE COAL LIMITED

Gullewa Limited is pleased to announce that the Company and C. Randall & Associates Pty. Limited are in the final stages of preparation to float their coal interests in Queensland held by Mineral & Coal Investments Pty Ltd.

This strategy will enable Gullewa to focus on its gold and iron ore projects in W.A. and N.S.W., whilst ensuring that the necessary capital and expertise is secured to advance the exploration and development of its highly promising Queensland coal tenements.

As part of this process, a restructure has been effected following a legal and corporate review. The IPO vehicle is **Allegiance Coal Limited** and is currently owned as follows :

	<b>No. of Shares</b>
Gullewa Limited	100,000,000

<b>Total</b>	<b><u>125,000,000</u></b>

**Allegiance Coal Limited** owns all the shares in Mineral & Coal Investments Pty Ltd which holds 11 of the granted tenements directly.

We are finalising the terms of the offer and hope to conclude all statutory requirements within the next four weeks. **It is intended that shareholders of Gullewa will be offered a priority in the IPO.**
