LaserBond announces Record Profit and Maiden Dividend

Laserbond Limited (ASX:LBL) today announced record highs in revenue and profit for the 2011 financial year based on audited accounts, and the first dividend since listing on the ASX. The dividend will be fully franked.

HIGHLIGHTS	Movement	2011	2010
Revenue	<i>Up 27.4%</i>	\$13.3m	\$10.4m
EBIT	<i>Up 219%</i>	\$2.14m	\$0.67m
Net Profit after Tax (NPAT)	<i>Up 159%</i>	\$1.34m	\$0.52m
Net Cash Flow from Operating Activities	<i>Up 912%</i>	\$0.90m	\$0.09m
Earnings per Share (cents)	<i>Up 154%</i>	1.9	0.7
Fully Franked Dividend (cents per share)		0.5	nil

These results continue to demonstrate the improved performance of the company over the last 2 years.

The substantial increases in revenue and profit have been achieved from current operations, and place the company well for future growth. The Board is confident that the strategies it has put in place will provide the continuation of organic growth, and is actively investigating strategic acquisitions and/or greenfield opportunities that will provide a further boost to earnings per share.

Shareholders will have the option of participating in a Dividend Reinvestment Plan (DRP) with respect to this dividend. Details of the DRP will be announced in the very near future.
